Aroma Therapy	1580/-
----------------------	---------------

Aromatherapy is a holistic healing treatment that uses natural plant extracts to promote health and well-being. Sometimes it's called essential oil therapy. Aromatherapy uses aromatic essential oils medicinally to improve the health of the body, mind, and spirit. It enhances both physical and emotional health.

Swedish Therapy	1680/-
------------------------	---------------

Swedish massage involves soft, long, kneading strokes, as well as light, rhythmic, tapping strokes, on topmost layers of muscles. This is also combined with movement of the joints. By relieving muscle tension, Swedish therapy can be both relaxing and energizing. And it may even help after an injury.

Balinese Therapy

1780/-

Balinese massage is a full-body, holistic treatment. Balinese massage uses a combination of gentle stretches, acupressure, and aromatherapy to stimulate the flow of blood, oxygen and "qi" (energy) around your body, and bring a sense of wellbeing, calm and deep relaxation.

Deep Tissue Therapy

1880/-

Deep tissue massage is a massage technique that's mainly used to treat musculoskeletal issues, such as strains and sports injuries. It involves applying sustained pressure using slow, deep strokes to target the inner layers of your muscles and connective tissues. It helps to reduce tension in muscle and tissue.

Thai Therapy

1980/-

Thai massage is an ancient form of massage thought to have been developed by Buddhist monks in Thailand. It uses passive stretching and gentle pressure along the body's energy lines to increase flexibility, relieve muscle and joint tension, and balance the body's energy systems.

Hot Stone Therapy [120 min]

2780/-

Hot stone massage promotes deeper muscle relaxation through the placement of smooth, water-heated stones at key points on the body. The hot stones have a sedative effect that can relieve chronic pain, reduce stress and promote deep relaxation.

Moroccan Bath [60 min]

2380/-

[Moroccan Mask, Steam, Scrubbing, Body Shower, Body Lotion]

Moroccan bath is an age old traditional cleansing ritual spread across the Middle East, popularly known as Maghrebi. This ritual is done to clean, whiten and soften the skin. It also helps to relax the tired nerves and muscles while enhancing the blood circulation of the body.

Body Wrap [90 min]

3680/-

[Steam, Scrub, Wrap, Body Shower, Body Lotion]

A body wrap - also known as a 'body cocoon' or 'body mask' - is a spa treatment created to enhance the health and appearance of skin, and/or reduce body measurements. A nourishing oil or mineral-rich formula is applied to the limbs and torso before they are wrapped in cotton, or a plastic film. This promotes the extraction of dirt, toxins and excess water from the skin.

Majestic Signature Body Spa [180 min]

5999/-

[Steam, Scrub, Body Massage, Hot Towel, Pack, Body Shower, Jacuzzi, Body Lotion]

Warm water, or "hydro" therapy can promote relaxation, pain relief and improved sleep habits as the heat, buoyancy and massage work together to clear your mind, reduce stress and soothe overworked muscles. Combined with skin dead cell removal, body massage, warm shower and moisturizing lotion.
